Hi Phylcia,

The Portland Harbor study area that will be addressed with a cleanup decision includes the Willamette River from river mile 1.9 to river mile 11.8, with river mile 0 being at the Columbia river. I hope that helps.

With my regards,

Cindy

Hi Phylcia,

I hope that you are also having a great holiday season! I'll check on the Superfund site and get back to you.

With my regards,

Cindy

Subject: Office of Congresswoman Bonamici question regarding Portland Harbor Superfund Site

Hi Cindy,

I hope you're off to a wonderful holiday season! I had a quick question regarding the Portland Harbor superfund site. Do you by chance know or can you put me in touch with someone who may know how much the Portland Harbor Superfund site is in Oregon's First Congressional District? I know that the southern tip of Sauvie Island is part of the superfund site and that all of Sauvie Island is in Congresswoman Suzanne Bonamici's district, but was still unclear percentage wise how much of this site is in our district.

Thank you for your time.

Best Regards,

Phylcia
